## GENERAL AUCTION No. 231

Welcome to General auction no. 231 from your auctioneer, Michael Hopper, my details are on the bid form at the end of the catalogue. The lots in this Auction come from various members and the descriptions and condition are as provided by individual members so may therefore differ in the amount and depth of detail provided.

***Do not assume that a lot is any better than described. If in doubt, ask for a scan (please see overleaf)***

Where a catalogue value is stated, it was provided by the vendor and may or may not reflect the current retail value of the item. Bidders are advised to check.

The condition of stamps and material will be described thus: -

**UM** or **UMM** (Unmounted Mint) = perfect; as issued; undisturbed gum; never mounted.

**LMM** (Lightly Mounted Mint) = faint evidence of hinge, otherwise perfect.

**MM** (Mounted Mint) = obviously mounted or hinge adhering, otherwise perfect.

**MNG** (Mint No Gum) = Mint but gum washed off or otherwise removed.

**VFU** (Very Fine Used) = pristine with clean, complete cds. or as suitable for age etc.

**FU** (Fine Used) = reasonable appearance with clean and not heavy cancellation.

**U** (Used) = anything not VFU or FU.

**CTO** (Cancelled to Order) = legally cancelled but not used for postage or revenue.

**B** (after the Lot Number) = bulky lot. The weight is given for postage calculation.

**Please read all the rules and notes before you bid.**

**Bids must be received by 14<sup>th</sup> February 2017**

**Bids from non-members are welcome.**

1. **BID FORM** - Postal bids must be on the Bid Form (back page - both sides) or a photocopy or facsimile. Email bids will be deemed to conform with the stated conditions and may be sent to [raffetauctioneer@gmail.com](mailto:raffetauctioneer@gmail.com). If sending by email, please attach a scanned completed bid form or completed online version.
2. **PROCEDURE FOR BIDS** - Only postal or email bids will be accepted. All valid bids received by the closing date will rank in the auction. In the event of more than one equal value winning bid, the winner will be decided by lot.
3. **SUCCESSFUL BIDS** - Lots will be sold to the highest bidder. The price will be either the bid made or one more bid step than the next highest bid, whichever is lower. If only one bid is received, the lot will be sold at the reserve (or estimated) price assuming this has been achieved.
4. **ESTIMATED PRICES** - These are indicated by an **E** against the catalogue price. Such lots may or may not have a reserve but will be sold to the highest bidder, as above, provided that the Auctioneer considers the bid reasonable.
5. **BUY BIDS** - Will not be accepted.
6. **TOTAL LIMIT ON BIDS** - Members may place a spending limit which is less than the total amount of their bids. Any limit must be stated on the Bid Form. Once the limit has been reached, all subsequent bids will be ignored. Bids must be listed in order of preference using the numbered boxes in the Bid Form column 3 "Serial No."
7. **DESPATCH OF LOTS** - Lots will be dispatched to winning bidders immediately following receipt of cleared funds. 2nd Class post will be used unless otherwise stated on the Bid Form or the value of the package exceeds £250 or otherwise at the Auctioneer's discretion. Postage and packing will be charged to the buyer.
8. **PAYMENT** - The preferred - and quickest - method will be by bank transfer although cheques will be acceptable. Winning bidders will be invoiced and advised of payment options and details at that time.
9. **RETURNED LOTS** - Any item which does not appear to conform to its description must be returned within 24 hours of receipt. The reason for the non-acceptance must be stated and a Certificate of Posting should be obtained. A full refund will be given for lots misdescribed.
10. **BIDDERS' PREMIUM** - there is no bidders' premium.

### **Bid steps**

**From £3.00 (minimum) to £10.00 -- -- 10p. above £10.00 -- -- -- -- -- 50p.**

***Intermediate amounts will be 'rounded down'.***
